

EVERYWHERE
HOME IS.

← ESPAÑOL

posh

— Wherever you call home, consider Posh a local. —

Never lets you down

Created with pro quality materials you can rely on, we're ready when you need us, supplying products made to last.

A simple choice

We combine value, design, and quality into flexible bath and kitchen products that stand the test of time.

Made for every home

From shopping to installation, we make things easy. We give you what you need, in the simplest way, so you choose the perfect product.

posh

Home.

Where each day begins and comes to rest. Where life gets built and families grow.

At Posh, we value home. We value local. We value you and what you do. Which is why we are where you are.

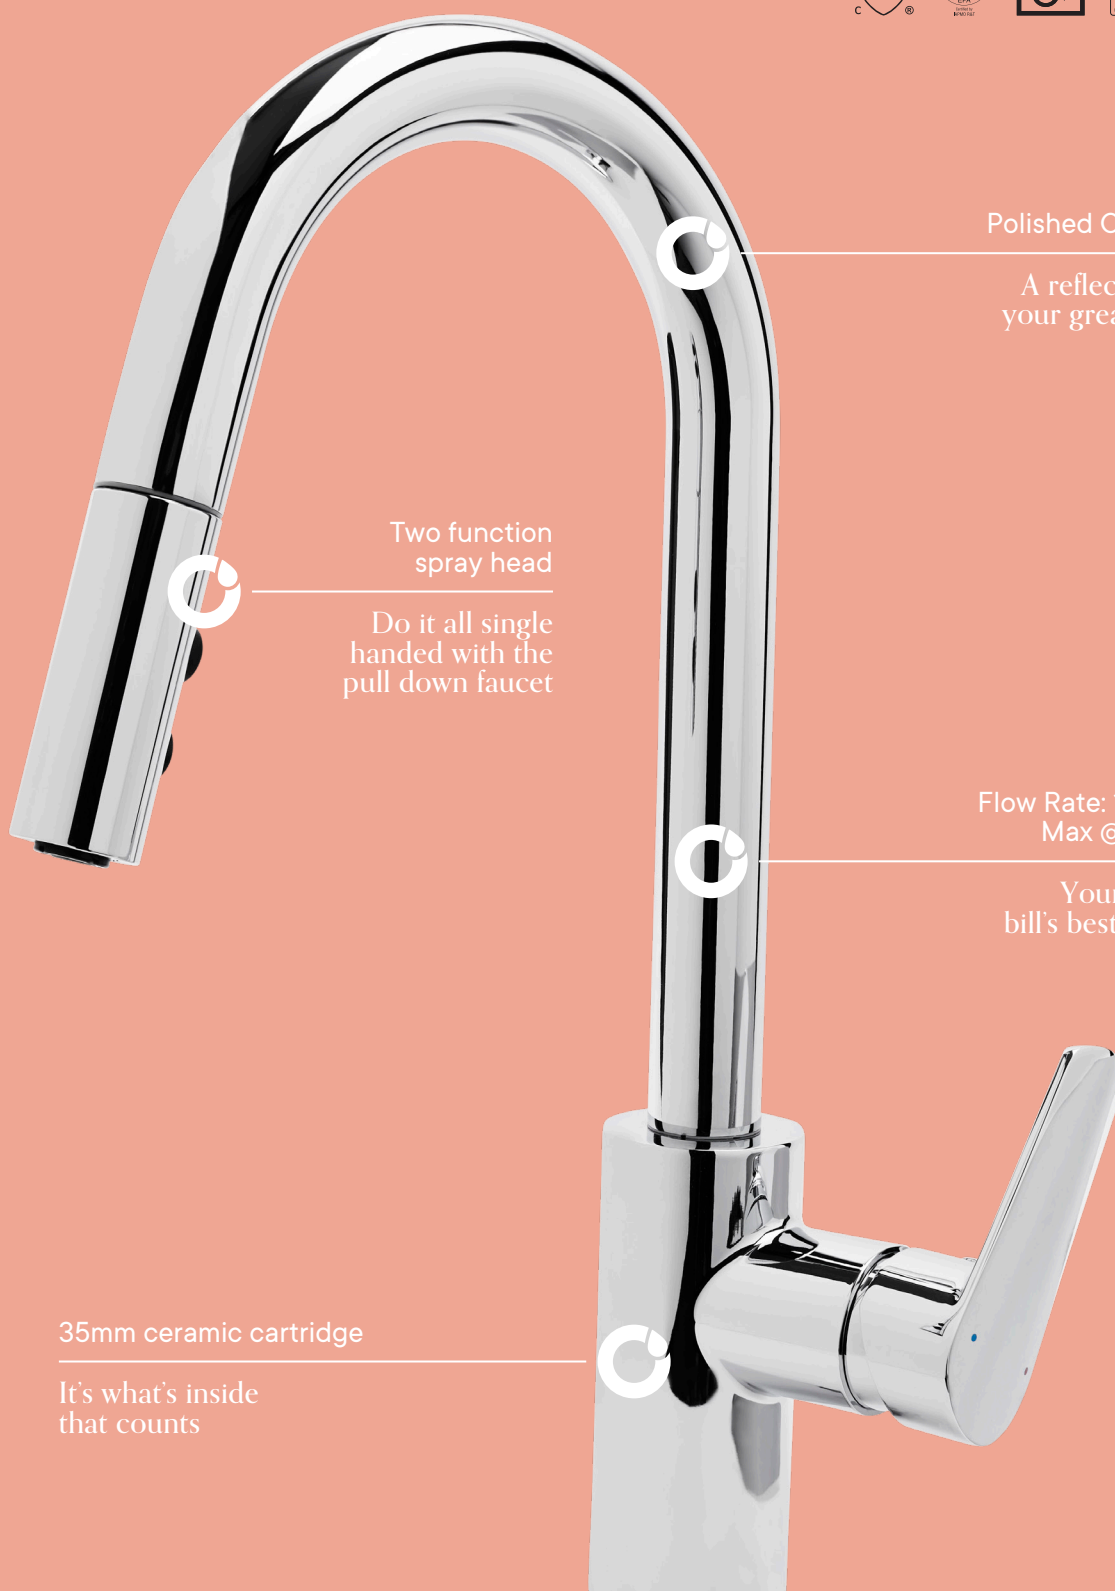

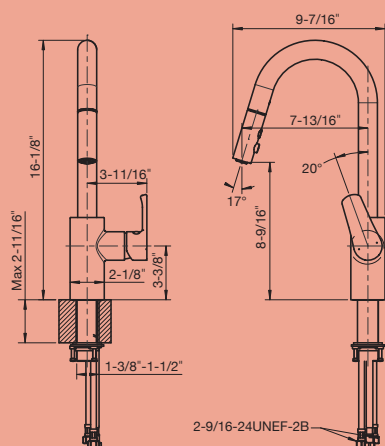

Posh - everywhere home is.

A large, thin-lined circle is centered on the page. Inside the circle, the text "Every day and everywhere, our products are tested in real homes, by real people, trusted by real pros." is written in a clean, sans-serif font. Two horizontal lines extend from the left and right edges of the circle towards the margins of the page.

Every day and
everywhere, our products
are tested in real homes,
by real people, trusted
by real pros.

Your water
bill's best friend

35mm ceramic cartridge

It's what's inside
that counts

“Trust was everything when it came to keeping this client happy.

By using Posh on the project, I knew I’d get what I needed, quickly. The simple installation of quality products kept things moving for a client that couldn’t be happier.

Whether it’s a new-build or an emergency replacement, they’re always around the corner, ready to go.”

– Trusted by pros

“With young kids, our bathroom sees a lot of action.

So when it came to replacing our bathroom tap, it had to happen fast - and with Posh, it did.

Not only can we get back to living, but it's also beautiful and durable.”
